## Athlete Spotlight

### Gabriel Hasselback

Gabe has been skating with the Buffalo Speed Skating Club since he was 7. Now 19, Gabe is a 2nd-year Premed Biology major at the University of Utah. He currently trains with the Utah Olympic Oval's F.A.S.T. Program under coach Li Geng.

We are incredibly proud of Gabe's successes. His hard work, determination, and commitment have truly paid off. We look forward to seeing where Gabe's talent and dedication will take him, and can't wait to see what he'll do next, both on and off the ice.
