Buffalo Short Track Speedskating Championships

The Northtown Center at Amherst
Saturday & Sunday, October 16-17, 2021

The fastest racing on ice is coming to Western New York this Fall and you can be front and center for all of the action. The seventh annual Buffalo Short Track Speedskating Championships kicks off the racing season as the first US Speedskating sanctioned competition held on the East Coast every year. On October 16th and 17th, 150 skaters, along with families, coaches, spectators, and volunteers, from across the US and Canada will descend on the Northtown Center in Amherst, NY for two action packed days of high intensity racing. In collaboration with the Buffalo Niagara Sports Commission, we will be hosting skaters from ages 5 to 80 and featuring all skill levels from novice to national champions. Who knows - we may have future Olympians and World Cup skaters on our ice. It has happened before! We are anticipating another sold-out event, and excitement is particularly palpable this year because this will be the first opportunity for many skaters to compete since 2019.

How can you be a part of the fastest event on ice in Buffalo? As a 501(c)(3) not-for-profit organization, the Buffalo Speedskating Club is seeking partnerships with Western New York companies that would like to support an international event organized and executed by a team of dedicated volunteers. We understand that COVID-19 has made it particularly challenging for companies to regularly interact with their community. Our goal is to provide a platform to showcase your brand while supporting a reputable event that is successful year after year. We have outlined a number of opportunities below for you to be a part of the Buffalo Short Track Speedskating Championships.

- 1) Become a Sponsor.
- 2) Provide an item/discount coupon that can be added to a *Welcome to WNY* swag-bag for skaters.
- 3) Donate food and/or drinks for our athletes & volunteers.

For additional information about the Buffalo Short Track Speedskating Championships and the Buffalo Speedskating Club, including pictures from past events, please visit our website at www.buffalospeedskating.org.

Thank you for your consideration.

Sincerely,
